Welcome to Tradition Medical Center

We encourage all Moms-to-be to:

- Pre-register for admission
- Register for childbirth education classes
- Take a tour of the Maternal Child Unit (call to schedule)
- Check out our website @ <https://www.martinhealth.org/> Click on "Services", Click on "Maternity", and then Scroll down to "Childbirth Classes", Scroll down to see the classes available or Please call (772) 345-8105 EXT: 16687 for available class dates or any questions.

Please call (772) 345-8105 EXT: 16490 for your pre-admission and tours at Tradition Medical Center. You will need to have the following information available at the time of pre-registration:

- Social Security number for you and your spouse, if applicable
- Employment name, address and phone number
- Emergency notification information (name, address & phone number)
- Medical Insurance information (have card available)

Private Pay Patients:

A patient who does not have insurance for her delivery and nursery charges will need to make financial arrangements for payment of her hospital bill. There is a discounted rate when charges are paid prior to delivery. This will be explained when you call to pre-register for delivery.

Insurance and Pre-Certifications:

If pre-certification is required by your insurance carrier it is your responsibility to call your insurance company and furnish them with the Information needed for pre-certification. Most insurance companies have an 900 number to call. This should be done as soon as you find out about your pregnancy. Some insurance companies have guidelines/requirements of the patients in order to insure maximum payment for services.
